

The information in this website is general in nature and should not be taken as a substitute for professional medical advice, and should not replace seeking medical advice from your physician.

Carol Martin and Associates DBA The Informed Choice would like for you to be aware that plastic and reconstructive surgery is a very complex field and the opinions, treatment and diagnosis cannot adequately be described on any website and will change as new technology and information becomes available.

The opinions expressed in this website reflect those of Carol Martin and Associates DBA the Informed Choice and may differ from those of surgeons. In no event will be held liable to anyone for any decision made or action taken based on the information provided on this website.

The photo galleries contained in this website are not intended to represent the results that every patient can expect. The results of surgery can vary greatly from patient to patient. Carol Martin and Associates DBA The Informed Choice does not guarantee any specific surgical results.
